

PAINTING WORK WOODWORK - ETANG

Sheet end of work

Painting work on the woodwork is now complete. Hereafter are mentioned the work carried out :

- Painting woodwork railings and bodyguards
- Painting small colored shutters
- Technical doors varnished
- Apartment entry doors varnished 1 side

However, it is possible that certain particular points are to be taken back in finishing, because of a forgetting or because their realization does not give any satisfaction.

So you can tell us below your various remarks regarding finishes to review, or particular problem encountered.

All documents received will allow us, if necessary, to involve the company after the summer period, as part of the guarantee of perfect completion.

We thank you in advance for returning this document, if any, before September 30, 2019 to the following address:

OBSERVATIONS :

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, particularly along the edges. The left edge of the page shows the binding of the book, and the overall tone is a warm, off-white or light beige.
